## Programme of the Civil Society Forum at CONFINTEA VII Adult Learning and Education – Because the future cannot wait

**Tuesday 14 June 2022 from 9:15 AM to 17:30 PM (Morocco time). Venue:  
Opera Plaza Hotel**

Dear ICAE members, partners, colleagues, activists, experts and friends of ALE around the globe!

Below you can find the draft programme of the **Civil Society Forum (CSF) at CONFINTEA VII**, organised by the ICAE. The Civil Society Forum will be a hybrid forum to be held in person in Marrakech and virtually, with no limit on the number of participants. The main language of the Civil Society Forum will be English. We are continuing to explore having interpretation in Arabic, French and Spanish. This will depend on the number of participants and our own limited funds.

Additionally to the CSF we will also organize a **Civil Society Forum+ on 15-17 June onsite as well as partially online**. Have a look our plans below.

These events will provide a platform for discussions on the crucial challenges for ALE today and identify priorities for the coming years, including:

- Transformative ALE and its role in Agenda 2030
- ALE and the New Social Contract
- ALE as the core of the lifelong learning process
- Securing the right to adult learning and education
- Priorities areas of ALE from the civil society perspective
- We will also launch the 50<sup>th</sup> Anniversary of ICAE

**The following is the PRELIMINARY Registration link for the Civil Society Forum, which will close one May 15th. Don't miss it!**

### Remember:

Please be aware that participation in Civil Society Forum **doesn't guarantee participation in the main CONFINTEA VII Conference**, which is by UNESCO invitation only!

The ICAE is working closely with UNESCO and our local hosts to explore the possibility that civil society participants who are not able to take part in the main CONFINTEA VII conference, will have opportunities to follow the conversations via live streaming of the sessions and arrange "CONFINTEA VII chats" – to exchange and discuss what is happening in the conference.

Aside from engaging with the CONFINTEA VII proceedings, there will be several other civil society events on 15-17 June, such as the re-launch of the 'Convergence' journal, an exhibition on ALE and civic education, meetings on various ALE-relevant topics, opportunity to network with local civil society organisations and learn about their work in ALE. So, there are many more reasons to join us in Marrakech!

Participants at the Civil Society Forum will have to cover their own **travel and accommodation costs**, while ICAE covers other costs related to the Civil Society Forum. We will provide you with a list of recommended hotels and travel information, as well as the detailed programme of CSF and accompanying events.

We remind you to check for the latest travel requirements, for example, will you need a **visa to enter Morocco**. Please make sure you also check the **COVID-19** related travel requirements!

We are looking forward to seeing you in Marrakech!

Yours
